

Institutional Distinctiveness

The goal of our college is to form persons of character, conscience, compassion, commitment and competence who having enabled to face the challenges of life in the changing scenario are sensitive to the needs of the poor and the marginalized and evolve as dynamic transcendent leaders of tomorrow. Keeping this ideal in view, apart from academics, firmly believe in building a culturally rich character of our students. This very objective is achieved through personal mentoring and feeding the right and timely mental inputs regularly. Thrust is to create physically fit and mentally strong individuals.

Our priority is to believe in making a student with distinctive vision. By imparting “Value Based Education” and creating future citizens, we practice and follow innovative teaching methodology with a focus on 360 degree development of student. Learning and growth is facilitated through various academic and extracurricular activities designed to enhance intellectual and creative capacities of students. Holistic development is ensured by year round academic events and placement calendar. Various cultural, sports, academic Club activities, International Conference etc. are organized to enrich the knowledge and experience of the real world of students, enhancing their personality and thereby improving their decision making and interpersonal skills. We concentrate on learner centric pedagogy where the focus is on “Mentor-Mentee” approach with the faculty acting as a friend, philosopher and guide to the students. We tap the potential of each student and nurture them by peer learning and mentoring. We provide all possible platforms to unleash the hidden potential of our students to become the entrepreneurs.
