

FACULTY DEVELOPMENT PROGRAMME

28th, 29th & 30th JULY, 2021

Faculty vitality is the main ingredient to enhance professional education and competence. Enriching the faculty vitality in key domains of teaching, assessing, research, professionalism, and administration is perceived to improve educational environment significantly and enhances the academic performance of learners. Faculty Development Programme (FDP) has been considered as a stand-alone educational pedagogy in fostering knowledge and professional skills of faculty. The Internal Quality Assurance Cell of the institution had organised a Faculty Development Programme from 28th to 30th of July, 2021.

The first day of the programme was headed by Dr. Alakan Karuppannan, Head - Marketing, Business Innovation & Sustainability, Pallavaa Group, Erode. The resource person spoke on the topic We Care- Mother Earth. He voiced that the people around the world should understand the need of a greener, cleaner planet and fulfill our responsibilities & make ample efforts to protect our mother earth from planet harming activities.

Mr. R. Kalyanasundram, Senior Manager, Organisational Development, Learning & Development and Leadership, Excellence Facilitator, Bangalore expressed his views on the topic Handling Youth to Face Emerging Challenges on 29th July, 2021. He focussed that the society we live in is well into the new millennium and has started to recognize serious concerns that affect the youth. The resource person expressed the need to engage younger people in this process has perhaps never been greater, and the challenges they face are complex, interconnected and seemingly intractable.

The third day of the programme underlined on Adopting Technical Education to Promote Employability. Dr. N. Mari Anand, Head of Business Administration, SRM University, Vadapalani City Campus served as the resource person. He stressed that Educating students with a comprehensive and deep set of employability skills that are in demand would be of tremendous importance for the employability of individuals and for the country's development.
