ORIENTATION ON ASSESSMENT AND ACCREDITATION PROCESS FOR NAAC
12th May, 2023

IQAC organised a Staff Orientation Programme on Assessment and Accreditation process for NAAC on 12.05.2023. Dr.Mohammed Haneef, IQAC Coordinator of Sadakathullah Appa College, Tirunelveli was the resource person. The resource person briefed the importance of NAAC and how NAAC accreditation helps the institution identify its strengths, weaknesses, opportunities and threats. He then suggested few initiatives both some short- and long-term objectives of the institution in order to enhance it. He gave a detailed description of each criterion and gave instructions minutely to give their best. He also stressed the importance of collecting data, reports and evidences in the clear manner and also at the right time. With regard to publication in Scopus and Web of Sciences Indexed Journals, he insisted the steps to be done by the faculty to obtain an impressive score in NAAC Accreditation. The resource person motivated the staff to publish books and chapters. He also visited all the departments and gave valuable suggestions in the improvements to be made in the files.
