

Seminar on ‘Digital Generation, Our Generation’

IQAC celebrated International Girl Child Day by organising a Seminar on the topic “Digital Generation, Our Generation” on 11th October 2022. The programme started at 1p.m. in Conference Hall. Mr. S. John Moses Giritharan, Child & Women Development Trainer was the resource person. He highlighted the effects of Digital media and briefed about the precautionary measures for the affected persons. He cited very interesting real life incidences of youth being abused and duped with their phones. He put forth solutions to stop youth from being addicted to their phones such as allotting specific time to children for phone usage, monitoring what the phone is used for, and many more. A total of 100 UG students attended the session and benefited.
